Leadership Rhea is a professional development class. All participants are expected and required to conduct themselves in a professional manner in all areas such as, but not limited to attendance, punctuality, dress and conduct. Companies and businesses are opening their doors and taking time from their routine/day to provide us with a learning experience. Some companies will require closed toe shoes and possibly steel toed shoes (they will provide). Leadership Rhea is a learning experience and requires a commitment by the participant and participant's employer. I understand the attendance policy for all sessions and, if selected, will devote the time necessary to complete the program. I have reserved all session dates on my calendar and verify I have no conflicts.
